Irene,

You are too kind. Great news for our wonderful city and region alike—Exposition Park and the area is just going through an incredible renaissance. On a slightly different note, I want to share with you all that George Davis, Executive Director of CAAM has agreed to join our board. He will be a great addition to the FigBID board if approved.

Thanks,

OK, so Ana gets a pass if she was unable to attend the Fig BID meeting yesterday. Seems she had quite an eventful day participating in the BIG news about the George Lucas Museum! Congrats to you Ana for all you did to help make this happen!!

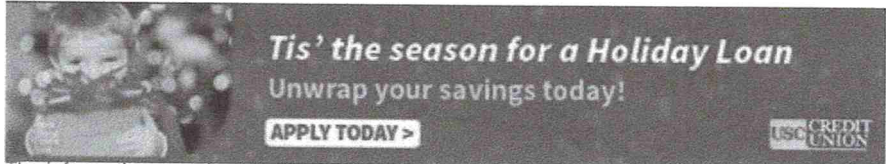

For those who missed Ana on the news yesterday, take a quick break and check out the link below, then click on the video. Ana looks great on camera!!

Hi All,

I am putting together a search for more board members so we don't keep having this quorum issue and was hoping the Exec Committee could give me some contacts for leads. Let me know which properties you think are important whether you have contact or not. If you do have contact please pass those along as well. Once I get some names I'll be sending out introduction emails next week or so.

Thanks,
Katie
